Re: Florida Uniform Certification Program (UCP) Disadvantaged Business Enterprise (DBE) Certification – International Analytical Group, Inc.

Dear Mr. Fernandez:

Effective July 1, 2005, the United States Department of Transportation recipient agencies in Florida, including Miami-Dade and Orange Counties, began participating in Florida's Unified Certification Program (UCP). This simplified certification process means that your firm's DBE certification will now be administered by one certifying agency, but will be valid throughout the State with certifying UCP member agencies.

Because your principal office is headquartered in Broward County, Broward County's Small Business Development Division will be your certifying agency. The contact telephone number is (954) 357-6400 and the office is located at 115 South Andrews Avenue, A-640, Ft. Lauderdale, FL 33301. Miami-Dade County Department of Small Business Development (SBD) only certifies firms that are headquartered in Miami-Dade County.

All DBE firms in Florida will be listed in a single DBE UCP directory. The directory is found at http://www.bipincwebapps.com/biznetflorida/. If you are currently certified and your business does not appear on the listing or if the information is inaccurate, please contact FDOT immediately.

Please keep in mind that the UCP only applies to the DBE program in Florida. If you have any questions or concerns, please do not hesitate to contact Samuel Febres at (850) 414-4745 or mail:

Miami-Dade County Department of Small Business Development (SBD) thanks you for your interest and participation in the DBE Program.

Sincerely,
